## ESHC Launches Online X-Ray Scheduling Tool

March 29, 2022

ESSEX COUNTY – A new online scheduling tool will allow Essex County residents to schedule their own x-ray appointments at the Erie Shores HealthCare (ESHC) Diagnostic Imaging Department.

The new tool allows patients to schedule their x-ray conveniently, with same-day appointments available Monday through Saturday. In order to booking an appointment, the patient is required to have a paper requisition form from a physician or nurse practitioner. The booking is quick and simple and is available at <https://erieshoreshealthcare.ca/xray>.

The tool was previously used by the ESHC COVID-19 Clinical Assessment Centre and was adopted this winter to include x-ray tests. In the upcoming months, booking of other tests at ESHC will be made available to enhance patients' convenience.

The new tool is part of a continued strategy at Erie Shores HealthCare to provide an enhanced patient care experience in Essex County as the hospital shifts its focus to pandemic recovery. Other initiatives include the launch of the ESHC COVID-19 Assessment Centre, Community Response and Stabilization Team, and partnerships with the Windsor and Essex County Hospice.
